Kingston sits at the gateway to the Thousand Islands, a city rich in history, culture and heritage. We have a full schedule of great events and activities for you to enjoy at FWU 2008. To assure everyone gets the most enjoyment out of the event we have planned it so you will experience a little bit of everything Kingston has to offer. We know you will not want to miss any of the events so to simplify things we have made the registration fee "all inclusive". Put your wallets away for the weekend, except for the auction!

We'll start off Thursday with a pub-style ghost tour of Kingston's darker past. Then Friday we'll have the arts/crafts/photos followed by the Funkhana and lunch. That afternoon we will hold popularity at Fort Henry. While there you will have a tour and dinner in the Officers' Dining Room served by soldier servants. Friday evening will finish off with the ever popular auction. Saturday is a full day starting with Sprite Soccer then a 1000 Island boat cruise complete with lunch and entertainment. Then off the boat and onto the rally route. At the end you will enjoy the ambience of the Kingston Brewing Company where you can have a cold one and also enjoy your awards dinner. No FWU would be complete without the CanAm Bull Pull on Sunday morning. This year will feature the Sprite Edition. Of course there will also be regalia available and tons of hospitality.

Donations of items for the registration packages or the auction are needed and would be greatly appreciated. See you in Kingston.

Space is very limited, so register today and avoid disappointment!
